### Prayer & Praise

- **For Valerie Anderson**—her son Kirk has been moved out of ICU as his body is responding well. He is still in a lot of pain and discomfort, but it looks like he will not need surgery. Please continue to pray for healing and also that the doctors would be given supernatural wisdom to discern the cause of the bleeding in his brain.
- **For Jordan Neumann**, a 23-year-old friend of the Beaton's daughter-in-law, who is in hospital suffering from terminal cancer. Please pray for God's hand on her and for comfort and peace for her family as they stay by her side.
- **For Leslee Watts**, who is recovering from a successful surgery to remove a tumour from her colon. Pray for speedy recovery, for rest and strength, and for continued healing of the cancer.
- **For Mary Smith**, who is home from hospital, recuperating, and pleased with her progress. She is thankful for your prayers and caring.
- **For Cliff Mooney**—pray for continued health and strength as he adjusts to his new pacemaker, and that he will soon feel strong enough to come back to church.
- **For Philip Pool**, who is spending some time in palliative care and some time at home. Please pray for strength for his wife, Debra, and his children (Andrew, Gillian, Matthew and Thomas) as they go through this difficult time.
- **For Niki (Porter) Hoepfner**—Continue to pray for Niki as she gains strength for further diagnoses and treatment of her condition.
- **For Ian Tervit**, that the lung transplant would happen soon and be a complete success, and that Ian would be drawn close to the Lord in the process.
- **For Anthony Mitchell** – pray for health, strength, and protection from disease during his continuing treatments.

**Meditation:** *We always thank God, the Father of our Lord Jesus Christ, when we pray for you, because we have heard of your faith in Christ Jesus and of the love you have for all his people—the faith and love that spring from the hope stored up for you in heaven and about which you have already heard in the true word of the gospel that has come to you. In the same way, the gospel is bearing fruit and growing throughout the whole world—just as it has been doing among you since the day you heard it and truly understood God's grace.*

## All-Church Prayer Meeting Tonight!

We'd love for you to join us tonight at Hillside from 7:30-8:30pm for a time of earnest prayer. We will focus especially on the upcoming AGM/ARC on January 30 and the decisions we will be affirming there about leadership and direction for 2010. We want to ask God to guide us into all He has planned for us in the new year.

## Olympic Torch Relay...Wed, Feb 10!

Did you know that the Olympic Torch will be passing through North Vancouver on **Wed, Feb 10**? The Official Olympic Torch Celebration begins at 12:30pm at Lynn Valley Centre Mall. The flame will arrive at 2pm and the Olympic Torch will pass along Lynn Valley Road, right in front of Hillside, around 3:00pm! This is a once-in-a-lifetime opportunity, and we are strategically placed to be a part of it. Our parking lot will be in full use that day as the Lynn Valley Torch Committee is organizing a shuttle bus to take folks from all the surrounding parking lots to the town centre—Argyle student volunteers will be acting as parking attendants. If anyone has ideas or suggestions on how Hillside could be involved, please speak with Dayna.

### Our AGM is Sat, Jan 30!

The AGM, also known as the Annual Renewal of the Covenant, will take place Sat, Jan 30. Join us for dessert and coffee at 5:30pm, followed by a time of prayer—the meeting will begin at 6:30pm.

As a church, we have been through a lot this past year. To help us prepare spiritually, all Hillside small groups are encouraged to intentionally pray for the AGM during their gathering times this week. Please pray for our leaders as they make decisions for the next year at Hillside. Please also be in prayer for how God wants to use you in 2010—areas where help is always welcome and needed are children's ministries, community outreach, social events, repairs and maintenance.

*Report Dockets are available in the foyer—please take only one per household and make sure you bring your copy to the meeting.*
