## **RE: Half-time Youth Pastor Position**

### **About Hillside Church**

Hillside Church ([hillsidebaptist.ca](http://hillsidebaptist.ca)) is a growing, multi-generational church located in North Vancouver's Lynn Valley that seeks to embody Christ's healing love to one another and our neighbours. Lynn Valley is a rapidly expanding, flourishing community backed against mountains and forest with many opportunities for outdoor recreation, which forms the heart of the community.

### **Role Description**

The Youth Pastor will be primarily responsible for the Youth Ministry at Hillside Church, which includes Oasis (High School) and Club 67 (Middle School). In addition to working with youth, this role involves supporting, encouraging, and equipping the team of volunteers who serve in leadership roles in Oasis and Club 67. The youth pastor will report to and be mentored by one of the pastors. The youth pastor may be asked to perform other ministry functions such as preach or visit congregants from time to time.

Salary will be commensurate with experience.

Ministry responsibilities include the following:

- **Develop, plan and oversee the discipleship and outreach programs for Oasis and Club 67 youth ministries.** These include weekly Wednesday night (Oasis) and Friday night (Club 67) youth events, discipleship opportunities in smaller group settings (such as leadership gatherings, Youth Alpha or other Bible studies), semiannual retreats and other activities around the North Shore.
- **Provide spiritual leadership and counsel for the youth, youth leaders and parents.** Includes being an informed resource for youth and parents regarding contemporary youth issues and concerns (e.g., online bullying,

social media, drug use)—and regularly praying for the youth, youth leaders and parents.

- **Coordinate and integrate the youth ministry with the goals and activities of Hillside Church at large.** This includes attendance at weekly staff meetings (Tuesday mornings), worship gatherings, quarterly congregational meetings, and other fellowship opportunities at Hillside. The church sometimes takes on interns. If there is a youth intern, the youth pastor would be involved in supervising the intern.
- **Provide appropriate communication with youth and parents outside of the large group settings through regular and ongoing contact.** This could include individual contact through social media, text messages or other appropriate means, such as church announcements or newsletters.
- **Maintain relationship with Keats Camp.** Our youth pastors have long made speaking at Keats camp a priority in the summer, which has usually resulted in a number of kids coming from Keats to Oasis. While we won't require the youth pastor to speak, we do want her or him to maintain ties with Keats.
- **Build and maintain relationships with other North Shore youth groups, organizations, and pastors.** Hillside has a long history of working together to build community on the North Shore for youth and youth leaders. This has included organizing North Shore wide events, retreats, and combined youth nights.
- **Work under an Elder-appointed supervisor as part of the pastoral staff.** This includes semi-annual reviews with the Staff-Elder overseer.
- **Perform other ministry functions in the congregation as requested by the Pastoral leadership team.** Such things as preaching, teaching and visitation.
- **Manage the annual budget and administrative aspects of the Youth ministry.**
